50+ NICHE GBP CATEGORY & GEO-KEYWORD MASTER BLUEPRINT

This blueprint pairs the right Google Business Profile primary and secondary categories with high-intent, geo-targeted search phrases for 55 common local service niches. Choosing the exact category Google expects — and knowing the search phrases your customers actually type — is one of the fastest ways to improve local pack visibility.

Find your niche below (or the closest match), set your categories exactly as shown, and swap [City] / [Neighborhood] / [State] with your own location in your profile description, posts, and website copy.

SECTION 1: 5 HIGH-INTENT GEO-KEYWORD FORMULAS

Every geo-keyword in this blueprint follows one of these five templates. Swap the brackets with your own service, city, neighborhood, or state.

1. [Service] near me
2. Best [Service] in [City]
3. [Service] [City], [State]
4. Affordable [Service] near [Neighborhood]
5. Emergency [Service] in [City]
