The 30-Minute Google Maps Fix

Completed on 8/22/2026

01 — The 15-Minute Profile Audit

- ☐ Business name matches your storefront sign exactly (no extra keywords stuffed in)
- ☐ Correct primary category is selected, plus 1–2 relevant secondary categories
- ☐ Hours are accurate, including upcoming holiday hours
- ☐ Map pin location is accurate to your actual entrance
- ☐ Phone number and website link are current and clickable
- ☐ At least 10 recent photos uploaded: storefront, interior, products, team
- ☐ Booking or appointment link added, if you take appointments
- ☐ Business description (750-character field) is written in natural language, not stuffed with keywords
- ☐ Attributes filled in where true (small business, family-run/family-owned, women-owned, wheelchair accessible, LGBTQ+ friendly, etc.)
- ☐ Messaging turned on if you're willing to answer questions from the listing itself

02 — The Local Trust Signals List

- ☐ Local Chamber of Commerce membership and directory listing
- ☐ Downtown / Main Street merchants' association directory (common in small towns)
- ☐ Local newspaper or community blog "shop local" features (often free to submit)
- ☐ Nextdoor Business Page for your neighborhood
- ☐ Apple Maps Connect listing (separate from Google, frequently skipped)
- ☐ Bing Places for Business (5-minute setup, still counts as a citation)
- ☐ Local tourism board listing, if you're in a tourist or visitor-heavy area
- ☐ Industry-specific directories (wedding, home decor, pet, etc. depending on your product)
- ☐ Cross-links with 2–3 neighboring businesses (ask them to list you, and list them back)

03 — The Review Snowball System

- ☐ Identify your 3–5 best repeat or happiest customers this week
- ☐ Ask in person at checkout, right after a compliment or a big purchase
- ☐ Send the text or email script below within 24 hours — while they're still happy
- ☐ Respond to every review within 48 hours, good or bad, in your own voice
- ☐ Never offer a discount or freebie in exchange for a review (against Google's policy, and reversible)
